## Home Learning in Year 6

**At Frenchay, we use Seesaw as our main home learning platform. Please check regularly to see updates and work set.**

**Spellings:** Children will be given weekly spellings to practise at home. These will be posted on Seesaw.

**Reading:** This is an ongoing activity that we would anticipate children do 5 out of 7 days a week. This is both independent reading and reading aloud to an adult. Please complete your child's reading record. These will be checked weekly. Children can also access Read Theory—an online platform to help with comprehension. They should have a login for this but please let me know if your child needs a reminder.

**Topic:** At the beginning of terms 1, 3 and 5, your child will be given a grid of activities to choose from, based mainly on their topic. This will be put on Seesaw this week. At the beginning of terms 2, 4 and 6, a grid of activities with more of a writing focus on it will be put on Seesaw.

**Maths:** Please practise times tables and corresponding division facts to recall at speed. Please support your child to practise their times tables on TT Rockstars a couple of times a week. The children should have their usernames and passwords but please ask if you don't have them.

Weekly maths home learning related to what they are doing in class will be posted on Seesaw every **Wednesday**. Please support your child with this at home.
