

Squirrel Class Home Learning – Autumn Term 2023

In the table below there are activities for your child to complete at home based on this term's topic 'Who was Florence Nightingale and why is she important today?' They do not have to complete every activity but please choose 2 or 3.

<p>Make a paper lamp for Florence Nightingale.</p> 	<p>Draw a map of the journey that Florence Nightingale took from England to Scutari hospital.</p> 	<p>Make a model of a ward at Scutari hospital inside a shoebox.</p> 
<p>One of the things that Florence Nightingale changed at Scutari hospital was ensuring the patients had healthy food to eat. Help someone at home to cook a healthy meal. Remember to include some vegetables!</p> 	<p>Create a timeline of Florence Nightingale's life.</p> 	<p>Draw a "spot the difference" picture comparing Scutari hospital with a modern hospital.</p> 
<p>Learn to make a sling and demonstrate this on a cuddly toy.</p> 	<p>Design a poster about the importance of good hygiene in a hospital.</p> 	<p>Make a "thank you" card for NHS workers.</p> 

Please upload a photo to Seesaw by Wednesday 18th October so we can share our great work as a class! (If you are struggling to upload then projects can be brought in to school) Thank you!
